

functions & events

"food & service second to none..."

Boardroom or Plated Functions

Appetite Catering has an extensive history of successful boardroom & plated functions. Our functions and events team work hard to make sure your function goes to plan, comes in on budget & excites your guests. All of our functions and events menus are designed around you & your guests ensuring a memorable and interesting menu.

Buffet Functions

Need to feed the masses on a budget but still want variety, exceptional quality and sensational food? Appetite Catering has the answer – our buffet menus suit a wide range of palates and ensure a cost effective alternative to plated meals.

Cocktail Functions

Cocktail functions exude style, elegance and formality. Appetite Catering excels when it comes to cocktail or finger food. Our extensive range of finger food items, complimented by full beverage service and impeccable wait staff will turn your cocktail function into an event that everybody remembers.
